

Workshop “Dams: Incidents and Accidents – What Can We Learn?”

November 11-13, 2013 - Stockholm

The European Club of ICOLD (International Commission on Large Dams), together with the Swedish National Committee of ICOLD, is organizing the **workshop “Dams: Incidents and Accidents – What Can We Learn?”**.

REGISTRATION for this workshop (2700 SEK, approx. 290 EUR) is already **available** by following this link (please note that the number of participants will be restricted to 100 persons):

Registration deadline **October 12**

<http://www.conferencemanager.dk/swedcold>

This workshop will focus on lessons learnt from dam incidents and accidents, mainly in Europe, but also from other parts of the world. Areas covered will include different types of dams, such as concrete dams, earth dams, tailings dams, as well as important subsystems such as gates and control systems. The typical attendee will be engineers, dam owners, consultants, regulators, etc.

The workshop will be divided in different sessions and each presentation will be given ample time (40-45 min) to be able to include more details than would usually be the case, and there will be a good opportunity to discuss and debate in connection to each presentation.

Interested **speakers** are invited to submit their cases to the Organizing Committee before September 12, 2013 to the following address: swedcold@sweco.se

A full-day **study trip** on November 13 to the Älvkarleby HPP, 200 km north of Stockholm, is being also organized, which will include a visit to the hydraulic laboratories of Vattenfall (600 SEK, approx. 65 EUR).

DATE: November 11-12, 2013 (study trip: November 13)

VENUE: Sweco Building, Gjörwellsgatan 22, Stockholm, Sweden

LANGUAGE: English (translation will not be provided)

Proposed **accommodation** is at the **Courtyard Hotel by Marriott**, where a room block has been made (reservations have to be made before September 12, 2013). Each participant will pay accommodation separately. Further information on hotel reservation procedures can be found in the workshop website: <http://www.conferencemanager.dk/swedcold>

Organizing Committee:

Anders Isander, Sweden, Committee Chairman
José Polimón, Spain, EurCOLD President
Ignacio Escuder, Spain, EurCOLD Secretary
