

Dear colleagues,

Please find enclosed the sixth number of the *IWRDD-News*.

The main purpose of this newsletter is to provide information on 3IWRDD follow-up activities, upcoming events, publications, etc.

The next **number** of the *IWRDD-News* will be issued by **September 2013**. All of you are kindly invited to submit relevant information that may be included in the next number before **September 5**.

We are looking forward to receiving your contributions.

Kind regards,

Prof. Ignacio Escuder-Bueno and Eng. Jessica Castillo-Rodríguez

1. 3IWRDD and ICOLD follow-up activities

12th ICOLD Benchmark Workshop on Numerical Analysis of Dams

The ICOLD Technical Committee A on "Computational Aspects of Analysis and Design of Dams" organizes the **12th ICOLD Benchmark Workshop on Numerical Analysis of Dams** that will be held in **Graz (Austria)** on October 2-4, 2013.

The **deadline** for submitting **solutions** to the three proposed themes and contributions to the open session is **July 19, 2013**.

Workshop on "Dams: Incidents and Accidents"

The European Club of ICOLD (International Commission on Large Dams), together with the Swedish National Committee of ICOLD, is organizing the **workshop "Dams: Incidents and Accidents - What can we learn?"** that will be held at SWECO Building in **Stockholm (Sweden)** next November 2013.

Registration for this workshop (2700 SEK, approx. 290 EUR) is already available by following this **link** (please note that the number of participants will be restricted to 100 persons):

Registration deadline **October 12**

DATE: November 11-12, 2013 (Study trip on November 13)
VENUE: Sweco Building, Gjörwellsgatan 22, **Stockholm, Sweden**
LANGUAGE: English (translation will not be provided)

This workshop will focus on **lessons** learnt from dam incidents and accidents, mainly in Europe, but also from other parts of the world and it will be divided in different **sessions**. Interested **speakers** are invited to submit their cases before **September 12, 2013**, to the following address: swedcold@sweco.se

A full-day **study trip** on November 13 to the Älvkarleby, HPP, 200 km north of Stockholm, is being also organized, which will include a visit to the hydraulic laboratories of Vattenfall (600 SEK, approx. 65 EUR).

Further information and details on accommodation can be found in the workshop website:

www.conferencemanager.dk/swedcold

Organizing Committee

Anders Isander, Sweden, Committee Chairman

José Polimon, Spain, EurCOLD President

Ignacio Escuder, Spain, EurCOLD Secretary

Tony Deakin, United Kingdom

Juha Laasonen, Finland

Technical Seminar "Risk analysis applied to management of dam safety"

The Spanish National Committee on Large Dams (SPANCOLD) is organizing the Technical Seminar **"Risk analysis applied to management of dam safety"** that will be held in **Madrid (Spain)** on September 17, 24 and October 1, 2013.

Registration for this seminar (350 EUR) is already available, before **September 12**, by following this **link** (please note that the number of participants will be restricted to 25 persons): www.spancold.es/riesgos

The course will be conducted in Spanish. Further information can be found at www.spancold.es

Visit our **BLOG:**

"Risk Analysis and Critical Infrastructure Management"

News, events, courses, links to articles, etc. regarding risk analysis and other related topics are periodically in this platform. You are invited to participate, leave your comments, propose new entries and take part of this initiative on this website:

Reminder

If you wish to **share** relevant **information** to be potentially included in the next **number** of IWRDD-News, please send an email to jecasrod@upvnet.upv.es before **September 5, 2013**.

2. Upcoming events

In this section, a list of several upcoming events related to the topics of the IWRDD is included (sorted in ascending order by date):

- Organized by ICOLD and/or National Committees:

81st ICOLD Annual Meeting

Organized by: International Commission on Large Dams (ICOLD) & U.S. Society on Dams (USSD)
Date: 12 - 16 August 2013, Venue: Seattle, Washington (USA)
Website: www.icold2013.org

12th ICOLD Benchmark Workshop on Numerical Analysis of Dams

Organized by: International Commission on Large Dams (ICOLD) & Austrian National Committee on Large Dams (ATCOLD)
Date: 2 - 4 October 2013, Venue: Graz, Austria
Website: [Link to the 12th ICOLD BW website](#)

82nd ICOLD Annual Meeting

Organized by: International Commission on Large Dams (ICOLD) & Indonesian National Committee on Large Dams (INACOLD)
Date: 1 - 6 June 2014, Venue: Bali Nusa Dua Convention Center (BNDCC), Nusa Dua, Bali
Website: www.knibb-inacold.com

83rd ICOLD Annual Meeting

Organized by: International Commission on Large Dams (ICOLD) & Norwegian National Committee on Large Dams (NNCOLD)
Date: 14 - 19 June 2015, Venue: Stavanger, Norway
Website: www.icoldnorway2015.org

-Organized by other institutions related to IWRDD topics:

Dam Safety 2013

Organized by: Association of State Dam Safety Officials (ASDSO)
Date: 8 - 12 September 2013, Venue: Providence, RI (USA)
Website: www.damsafety.org

SAFE 2013 "5th International Conference on Safety and Security Engineering"

Organized by: Wessex Institute of Technology
Date: 17 - 19 September 2013, Venue: Rome, Italy
Website: www.wessex.ac.uk

HYDRO 2013 International Conference and Exhibition

Organized by: The International Journal on Hydropower and Dams
Date: 7 - 9 October 2013, Venue: Innsbruck, Austria
Website: www.hydropower-dams.com

SRA 2013 Annual Meeting

Organized by: Society for Risk Analysis
Date: 8 - 11 December 2013, Venue: Baltimore, Maryland (USA)
Website: www.sra.org

5th International Disaster and Risk Conference IDRC Davos 2014

Organized by: Global Risk Forum
Date: 24 - 28 August 2014, Venue: Davos (Switzerland)
Website: www.idrc.info
